On-Site Bridal Service Agreement

The professionals at MAC Hair Studio & Spa are committed to creating a memorable Day-Of experience for our brides, their attendants and families. We understand that your Big Day is something special, so we are able to come to you with our stylists and make-up artists.

To show you how special you really are, our stylists will defer our regular clients to travel to your venue and transport all products and equipment. We will allow plenty of time to set up, clean up and travel. We ask for a \$250 non-refundable deposit when booking for your wedding, which will be credited towards your final payment. A travel and set-up fee may be included in the final total depending on your individual needs. If you would like an estimate based on your location and wedding party size please call our studio or send us an email at info@machairstudio.com.

Since our biggest priority is you, we will meet with you one month prior to the wedding to discuss your vision for the Big Day. At this meeting we will also coordinate set-up plans with your vendor, finalize your schedule and 50% of the price of your services will be due. The final balance will be due on the day of the wedding. We accept all major Visa Cards, Master Cards, American Express and cash but checks are not accepted.

Please sign below to confirm the following:

I have completed the Information Form and Request Services for my bridal party. I understand that services are not guaranteed until the deposit has been received. I also understand that the \$250 deposit is non-refundable and checks are not accepted.
