

Dear Valued Customers,

MAC Hair Studio remains open for business. Therefore, we want to ensure everyone that we are continuing to keep a close eye on the development of COVID-19 and monitor the information released by the Government and Public Health.

We would like to make you aware of the changes that you will see at MAC Hair Studio and of our plans to continue supporting our community.

We want to reassure you all that the health of our community is top priority and we want wellness to be accessible for everybody throughout this difficult time of uncertainties.

WHAT WE ARE DOING FROM HERE ON OUT:

We are...

- Reducing the amount of stylists in the salon to 2 stylists each day.
- As of recent news, the government suggests no more than 10 people in a close environment together so we will not allow more than 6 people in the salon at the same time.
- We have been and will continue to use antibacterial gloves.
- Increase and continue the high standard of cleaning in the salon after each appointment.
- We ask clients to use hand sanitizer, before and after their appointment and remain home if they show ANY symptoms of the virus. We know our hair appointments are important but we cannot stress this point enough. Please act responsibly.
- If, for any reason, you feel uncomfortable or are more susceptible to risk (I.e diabetes, asthma, elderly etc) we are able to offer a private space to carry out your appointment. Which will create an even smaller environment and hopefully lowering the risk to spreading the virus.
- However, if you intend to stay home please call to reschedule your appointment. This is very important for us moving forward because it helps the salon manage what we can do for our stylists and other clients.

- If you need to restock your products (shampoo, conditioner, etc) and uneasy about coming in- please feel free to call to, pay over the phone for products, and we can deliver to you upon arrival curbside.

HOW YOU CAN HELP YOUR COMMUNITY:

- Above all keep each day in perspective. That means staying informed and not believing everything you hear. These are odd and confusing times but we need to remain positive!
- Be smart. Don't put yourself and others at risk.
- Shop local! Every little bit truly helps.
- Buy gift cards.
- Don't cancel appointments - reschedule!!

Thank you for your ongoing support. We need you now more than ever. Stay safe everyone and we look forward to serving our community for as long as possible!!

With Love,

Margaret Misenar
